Use and daily ration

we recommend introducing the new food gradually, increasing the amount each day until complete replacement after about one week. The ration may vary according to your cat's level of activity. Always leave a bowl of fresh water available. Approximate daily ration: 60/70g for an adult cat.

LeChat Three Flavour croquettes is a complete food with red meat, white meat and fish, the daily ideal meal for cats of all ages. A delicious recipe, rich in precious natural ingredients for the health and wellbeing of our little friends.
